WELCOME TO THE FUN WORLD OF LEGO® DUPLO®

LEGO® DUPLO®
toys - for kids aged 1½ - 5

One of the ways that you and your child can explore the world is through play. It's not only fun, it's also the best way for your child to grow and learn.

With LEGO® DUPLO® bricks and play sets, your child can play with shapes and colors, practice how to put things together, and create imaginary play worlds.

1½

5

LEGO DUPLO toys can be mixed and matched in any way your child wants. For every centimeter your child grows, LEGO DUPLO toys offer new and fun ways to play.

We hope that LEGO DUPLO can help you and your child explore it together.

- Two times bigger bricks than standard LEGO® bricks
- Ideal for learning shapes and colours
- Developing motor skills and imagination
- Neverending, always new fun!
